

CHUCK BUA

A founding member of the KCMSSL, Chuck Bua started with the organization in 1989 and played in its initial league game in 1990. He was an early member of the Board of Directors. His art skills and creativity were instrumental in helping promote and grow the league for nearly 30 years. He continually recruited new players as well. Though perhaps best known as the founder/long-term manager of the Ageless Wonders, he also

managed a number of “draft” teams in various venues across the Kansas City area.

In November 2016, Chuck suffered a massive stroke that left him bed-ridden 24/7. His competitive spirit keeps him fighting for his life. When he received this award in 2018, he resided at Fulton Commons Care Center in Long Island, N.Y.

Video of Chuck being notified of the Hall of Honor award:
